9. Event Format.

Cars will be divided into groups based on previous lap times recorded at the same circuit in the same vehicle. In the event that a driver has not competed at the track before, he/she will be placed in the "First Timers" group to determine their appropriate colour group, or if times are available from another circuit, then they may be placed in a group relative to those lap times.

If in the opinion of the Clerk of Course an entrant is competing in the wrong colour group the Clerk of Course may at any time throughout the event change that entrant to another colour group.

Cars will be placed in groups of up to 14, selected to ensure that vehicles of similar pace are on the circuit together. Cars will be started in pairs.

Runs will be minimum 7 minutes duration allowing competitors to complete at least 4 flying laps. The time will commence when the first vehicle passes the start/finish on its first flying lap. The chequered flag will denote the completion of the run. Duration of runs may be varied at the discretion of the Clerk of Course.

The time for the fastest single lap is to be used for results.

Proposed minimum number of runs on the day: 5

(Note: The Event will not be concluded when this minimum is achieved. Event will only be concluded early for safety reasons or if no competitors available)

Note: Grouping of pairs of cars to form a 'mini-race' anywhere on the circuit is NOT permitted, and action will be taken by the Clerk of the Course if such an incident takes place.

10. Familiarisation Session.

Three familiarisation laps behind a pace car will be given to drivers that have not previously competed at the track. Familiarisation laps will not be timed. It is recommended they be accompanied by a licensed Adult competitor with a minimum of 3 years experience as a passenger to assist in pointing out flag points, braking markers, racing lines etc. Such passenger shall be an entrant/competitor in this event and shall be attired similarly to the driver.
