12. **Minimum Licences:**

All participants must hold a current Australian Auto-Sport Alliance Club racing licence or equivalent or an AASA approved equivalent standard competition licence which must be produced on the day of the Event

Club membership will be available on the day

13. **Driver Safety.**

Drivers and instructors must wear:

A helmet that complies with AS1698 or better and carries marking to that effect, or is otherwise approved by AASA in the AASA NCRs. Helmets must be in good condition and must not have any perforations to the outer surface.

Non-flammable clothing extending from neck to wrist to ankles, (apparel of nylon or similar material is forbidden).. The onus may be on the competitor to prove that older overalls/suits are not impregnated with oil or fuel.

Shoes, which completely cover the feet, made entirely of leather or other flame-resistant materials. Shoes that contain any synthetic materials such as nylon are forbidden. Rubber moulded soles are permitted

In open cars, goggles or a visor with a lens material other than glass (ie to AS1609-1981) are mandatory as are leather or Nomex gloves which entirely cover the hands.

14. **Scrutineering Requirements.**

- a) All vehicles are to be presented at scrutineering and must comply with AASA General Requirements for Automobiles (as specific in the AASA NCR's), including
 - Seat belts for both driver and passenger which comply with relevant State registration standards
 - A fire extinguisher to AASA requirements and fitted within reach of the driver is recommended

- A blue triangle, 150mm on each side mounted to indicate the battery location is recommended
 - All forward facing glass lenses to be completely covered by a protective film.
 - All loose objects are to be removed from the car.
 - The battery is to be firmly clamped.
 - There is no requirement for logbook inspection
- b) Numbers are not required
- c) Drivers and vehicles must be presented in a clean and tidy manner, completely ready for the track including the driver's apparel and helmet. Any tyre or component changes to the vehicle after scrutineering must be approved by the Chief Scrutineer before the vehicle is taken onto the track.
- d) Seatbelts must be fitted to the vehicle for both driver and instructor and must comply with current Australian Standards and the requirement of the Impreza WRX Club Inc.
- e) Any vehicle found to be leaking oil or fluids whilst competing will be suspended from the event until the Chief Scrutineer / Clerk of Course is satisfied that action has been taken to rectify the leak. Should there be a re-occurrence of the leak then the vehicle will be excluded from the remainder of the event.
- f) All vehicles must be fitted with towing hooks or a similar device both front & rear to allow for the speedy removal of a vehicle from a "sand trap" or removal from the circuit in the case of a mechanical failure.

15. Noise.

Maximum Noise Limit: 95 dba at 30 metres.

Any car found to exceed the maximum noise emission limit will be suspended from the event until the Chief Scrutineer / Clerk of Course is satisfied that action has been taken to bring it within the limit. Any vehicle that exceeds the limit on two runs will be excluded from the remainder of the event. If a vehicle exceeds the noise limit on any lap or laps within a run then only those laps in which the vehicle conformed to the requirements will be allowed for the purpose of the results.

16. Pre-Event Scrutineering at Circuit
