* - Lap Record

Congratulations to Tyler Mecklem - Overall Subinats18 Champion and Track Class Champion with wins on all three tracks and three new lap records. Also congratulations to Peter Allen winning Subinats18 Steet Class.

Congratulations to Jess Neil who won the Glenn Ross Memorial Trophy for the most improved driver at the meeting.

Hosted by Impreza WRX Club Inc (Us) - 73 runners - 47 from our club.

Friday - Fine morning, showers in early afternoon then fine. Afternoon session was therefore wet to start but with a dry track towards the end which caught out some competitors.
Saturday - fine all day but cold in the afternoon.

There were two serious accidents on Friday involving Fabrice Charon & Alexander Chong. Fabrice is OK and I understand that Alexander, who went to hospital, has no serious injuries. Hope to see them both back on the track soon.

A number of competitors had issues which effected their overall results. Phil Bunter lost power due to a water temp sensor playing up Friday arvo but was able to fix it for Saturday. Greg Gifford unfortunately could not compete on Saturday. Troy Patterson/Tyler Mecklem had a split up pipe on Saturday but were able to replace it and get back onto the track. The Grahams had to replace a front wheel bearing on Saturday arvo and got out onto the track again and Paul Gooda had a boost issue which he was able to fix on Saturday. Luke Brammall had a head gasket fail on Friday so could not compete for the rest of the event.
