* - Lap Record

Hosted by NSW Road Racing Club - 87 runners plus 14 not recording a time – 28 from our club.

Fine mid winter day with good track conditions although a bit slippery in the afternoon.

Damien Bartlett had an off later in the day which resulted in contact with the wall - Will be a bit sore & sorry but hopefully back on the track soon.

Phil Bunter unfortunately had a blown head gasket on his first run.

Day marred a bit by very slow, disorganised sign-on and overly pedantic scrutineering.
