\* - Lap Record

Hosted by SSCC - 63 runners – 22 from our club.

Fine morning with cloud cover increasing. Rain started around 2:00. Once it started number of cars going onto the track dropped off so that event was called early.

A few members had issues. Jono suffered engines dramas after 2 laps - reason not know at this stage. Phil had a miss develop but this was sorted by Scott Diver who himself had issues with catch can filling up.
