Hosted by us- 63 runners – 32 from our club - over 50% of the entrants

Great turn out by our club on a very hot day. Best times generally set in the earlier runs as the track slowed as the day got hotter.

Virgil Chan has a incident when bauked by a slower car. Considering how hot the day was there were very few mechanical issues.

The club members who volunteered to do official roles during the day must be thanked, in particular those who were out in the heat all day.
