- Steeet tyre handicap 2.36 sec

Hosted by RTDC & AROCA - 76 runners - 30 from our club - 40% of the entrants

Again a very good turn out by our club with a number of first time supersprinters.

Day was fine in the morning although the track was considered to be slow. Afternoon was effected by rain.

A few members had issues that limited their laps. Greg Giffird split his exhaust, Clayden Lewis had brakes issues and Neil Barron had problems with his gearbox.
